

Information:

league matches:

as well as athletes scoring points officials also gain points and EAC must provide a certain number of officials. The league matches provides an excellent opportunity to gain experience without the pressure of championship matches.

Travel: where there is travel with an overnight stay**, officials are asked to donate £35 towards the travel/meals/hotel accomodation with athletes charged £50. If the match involves no overnight stay then officials can travel on the team bus with no charge - team managers need to be informed to ensure sufficient space on the bus is allocated.

Training: if you require specific training please let monisbet@blueyonder.co.uk know and she will liaise with Discipline Heads.
